

Kyoto Seika University Social Practical Skill Development Program

Come and Join us !

Wanna have a productive summer and winter break ? Join SPSDP!!

As society undergoes major changes, learning in university is also changing.

Learning in university has been mostly conducted in the classroom.

In addition to that learning style, students are expected to pay more attention to what is going on outside of classroom and engage with society.

Kyoto Seika University has started to offer Practical Social Skills Program since 2021. There are more than 50 programs in which you will work with a community or a company.

The Practical Social Skills Program will help you acquire one of the following skills: 1) Problem-solving 2) Proposal making 3) Investigating 4) Expressing
